

## Electric Heat Kits

Similar to Nordyne H4HK Series

### Standard Features

- Point Suspension element support system which eliminates hot spots to extend heater life
- Time delay between steps which recycles on power interruption or brown-out
- No off delay (a problem with sequencers) to increase SEER rating and prevents heating overshoot
- Chatter and Rapid-Cycle Resistant Contactors rated for 250,000 cycles
- Rounded metal corners for safer handling and installation
- Factory installed circuit breakers available on most models
- Modular elements replaceable in 5KW increments
- Modular control plug for installation ease
- Completely assembled, certified and tested.
- Customized Barcode labeling
- On-time Delivery
- Non-Factory models available
- 2-3 day production available
